

Temporary Event Plastic Fencing

TEMPORARY TRADITIONAL FENCING

The **Traditional Tempo-Fence** is designed to offer pure functionality and convenience. The pristine white finish of the panels gives it a premium look and feel that's sure to add a touch of traditional American charm to any occasion.

Each of these pre-assembled panels can be set up without needing any additional tools, allowing you to create secure enclosures as per varying dimensions and layout requirements—perfect for al fresco seating, outdoor events, trade shows, and festivals of all sizes.

TEMPORARY PICKET FENCING

Simple and sturdy—the **Picket Tempo-Fence** is just the world-class quality that you will need to make your next event a successful one. From creating temporary closures and barricades to adding a touch of mid-century elegance to your event's decor, our premier fencing panels offer the best of utility and aesthetics.

These pre-assembled modular panels can be set up within minutes, without requiring any additional tools. Designed for outdoor use, they are incredibly durable and contain high-impact modifiers, making them great barricades and temporary fencing options for all types of events, trade shows, and festivals.
